**Number of pages:** cover + 4

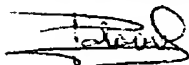

(Clarifying note: Despite the Office Action states that the Art Unit for this application is 2165, the notification informing about the Non-Compliance status states the that Art Unit is 3998)

Sirs,

Please find attached corrections to Amendment of Application 10/599,384, in response the letter of USPTO dated 07/09/2008. The Amendment is being reviewed by Legal Instruments Examiner Vikki Short

In particular, you can find new copies of drawing sheets properly identified in the top margin as "Replacement Sheet" for the new original sheets, and "Annotated Sheet" for copies of the original sheets in which the new parts have been marked.

Yours sincerely

Angel Palacios
